## RECOMMENDATION

We had hired Bajolika company in field commercial services from 1.3.2019 to 31.7.2019. Cooperation was honest, During that time our reception of commercial business was more clear than before and we know how to work on market now. They have always been opened for all our questions. We can freely say that our corporation grew up into friendship. We expect to cooperate again.

## PREPORUKA

Firmu BAJOLIKA smo angažovali za potrebe terenske komercijale u periodu od 1.3.2019 godine do 31.7.2019 godine. Saradnja je bila iskrena. U toku saradnje, neka naša viđenja komercijalnih poslova su se razjasnila i znamo kako na dalje da nastupamo na tržištu. Uvek su bili otvoreni i pristupačni za sva naša pitanja i možemo slobodno reći da je saradnja prerasla i u prijateljstvo. Nadamo se uskoro ponovnoj saradnji.
